

## Health Benefits Education Campaign

U.S. Department of Labor Health Benefits Education Campaign in coordination with the  
California Department of Insurance Presents:

### **Health Benefits Laws Compliance Assistance Seminar**

**September 9-10, 2014**

#### **Why should you attend this seminar?**

If you are an employer who is trying to comply with federal and California state laws regarding your health plan, this is your chance to talk to both federal and California state regulators at the same time, in the same place. If you are a third party administrator or a carrier who has questions about new laws and issues, this is your opportunity to ask the experts.

The U.S. Department of Labor is teaming up with the California Department of Insurance to bring you practical information, helpful tips, and clarification regarding California and federal health benefits laws. In addition to the U.S. Dept. of Labor and the California Department of Insurance, a representative from the Internal Revenue Service will join us.

This seminar is FREE and open to the public.
